Dear Richard,

Wind River Systems is pleased to provide you with the following quotation to renew the maintenance contract for your Tornado License number 16872 for the Rocky X Rover Project. Support is valid to 2/15/02 and is currently covered by your purchase order 1226278 & 1233931.

To renew support, we must have a faxed copy of the purchase order. Please include above reference number on your purchase order.

**SALES TAXES:**

Items listed above will be subject to sales tax unless otherwise specified on your purchase order. If items are not taxable your Purchase Order must clearly state the type of exception being claimed and the associated exemption number. Additionally, a copy of the appropriate certificate must be included with your Purchase Order, if Wind River Systems does not already have a copy on file. To verify that Wind River Systems already has a copy of your certificate please call your Inside Sales Representative.

Please note Maintenance Contracts will be subject to Sales Tax in most states as the contract includes product upgrades which are treated as Tangible Personal Property.
